

MISSION POSSIBLE #1:

Do you know there are 78 nurses that work at the Bridgeton State Prison where there are 5,000 male inmates? It is the only critical care prison in the state so COVID inmates are all being sent there. These nurses have a challenging job in the best of times but could really use some extra support now.

Your mission possible if you choose to take your assignment is to:

- Write 5 thank you notes **or** notes of encouragement to a nurse
- Sign the card with your 1st name only from WPC
- **Do not seal** so the church can put a Dunkin' Donut card inside
- Place the cards in a Ziploc bag
- Take the cards to the church and put them in the cooler on the steps by the main office
- Complete the assignment by Tuesday, April 21st

*These cards will be paired with gift cards and "Super Hero Nurse" t-shirts and hand-delivered to the nurses there by one of their own supervisors.

MISSION POSSIBLE #2:

Got skills? We are partnering with a local seamstress to make and provide masks for local healthcare workers. You can help with making N95 masks with supplied material. We will deliver the materials and instructions. **No sewing skills or machine?** You can help with the cutting or prepping as well. Reply to info@woodstownchurch.com if you are interested and let us know if you can sew or just want a simple job that anyone can do!

MISSION POSSIBLE #3:

WPC will deliver dinner and food baskets to healthcare workers at Salem Hospital and Elmer Hospital. If you would like to be part of this please contact Deacon Moderator Sue Gilmore (or email info@woodstownchurch.com) to see how you can get involved.
